—for she is well aware that in these days of shortened skirts, correct Footwear is essential to the effect of her costume.

That is why the dainty PATRICIAN models will encase the equally dainty feet of the style-leaders of the Capital on Easter morn and once again prove their right to reign foremost in Milady's favor.

Sixty or more distinctive models are now on display at BERBERICH'S and accurately reflect the most approved style tendencies. BERBERICH'S tremendous buying power is your assurance of moderation in price, without the sacrifice of one iota in appearance or wear.

And PATRICIAN SHOES owe their pre-eminence to the lasting satisfaction which keeps step with their rare beauty.
